Hanifaru Bay Excursion

Nestled within a protected UNESCO Biosphere Reserve, Hanifaru Bay stands as one of the world's most awe-inspiring marine sanctuaries and an absolute must-visit destination in the Maldives. From May to November, this iconic bay transforms into a bustling gathering ground for one of the largest assemblies of manta rays on the planet. Driven by the natural rhythms of tides, moon phases, and ocean currents, these magnificent creatures put on a mesmerizing display, often joined by the ocean's gentle giants, whale sharks. To help you experience this bucket-list spectacle, our team carefully monitors the bay's conditions to run three expertly guided snorkelling trips per week, weather permitting. For ocean lovers and adventurous explorers, it is an unparalleled opportunity to swim alongside the wild heart of Maldivian marine life.

Duration: 45 mins (maximum allowed in Bay)
Price: $70 per person
Inclusions: Water, entry fee and guide Fee
Note: Manta sighting is subject to weather conditions

Extra: Manta snorkel outside Hanifaru Bay $50 per person

Manta Search Trip to Maamunagau: $100 per person

Reef Snorkelling Trips

Guided Reef Snorkelling Adventures

Immerse yourself in the spectacular house reefs and marine sanctuaries of Baa Atoll with our signature snorkelling guided tours. Float alongside gentle hawksbill turtles at Turtle Reef, or feel the thrill of watching sleek blacktip and whitetip reef sharks glide through the deep blue at Shark Reef. For a truly magical experience, join our Night Snorkelling safari slip into the water after spectacular sunsets to witness the reef transform under torchlight, where nocturnal creatures awaken and corals bloom in vivid, glowing colours.
